Clarification Number 1

11th February 2015

Question:

Regarding Key Expert 1 - Design and Printing Coordinator I would like to enquire regarding my eligibility for this tender document. I have a 9 month intensive graphic design course certificate in year 2000 in Photoshop and freehand software.

And have a total of 12 years working experience in design agencies as a graphic designer & marketing. I have a European level 5 diploma in Tourism Management and 3 years' experience in EU project management and communications. Am I eligible to apply as key expert 1?

Answer:

The Design and Printing Coordinator must have at least a higher national diploma level 5 from a recognized institution in design, printing or equivalent related subject, therefore a level 5 diploma in Tourism Management is not considered to be applicable/sufficient for this tender.
