### **Re: Skills Cards Information Session**

**2<sup>nd</sup> November 2023**

Dear GTA Member,

As you are aware and informed, as from January 2024, all new third-country nationals (TCNs) applying to relocate to Malta for employment within the tourism and hospitality industry will now require a skills card, which can be obtained after the prospective employee sits for a number of courses before coming to Malta. Furthermore by October 2024, all employees seeking renewal for their work permit will also be required to sit for these courses. Additionally by 2025, all tourism and hospitality workers will require a skills card to work in the industry.

**In this regard the Gozo Tourism Association in collaboration with ITS Malta is holding an information session on these skills cards next Wednesday 8<sup>th</sup> November, 2023 at 14.00hrs at the ITS Campus in Qala, Gozo.**

During this session a presentation on the skills card process, will be delivered by ITS officials after which there will be time for questions from the floor. In view that the consultation process is due to close on 16<sup>th</sup> November, it is highly recommended that you attend this information session in order to get an update and further clarifications, as well as to put forward any suggestions from your end for final consideration.

Kindly confirm your attendance for this information session by email on [gtagozo1999@gmail.com](mailto:gtagozo1999@gmail.com) or [ceogta@islandofgozo.org](mailto:ceogta@islandofgozo.org) or by phone on 21565171 or 99429962 by 12.00hrs Tuesday 7<sup>th</sup> November, 2023.

Thanks and best regards,
