Re: Gozo Channel – Temporary Timetable

6th November 2023

Dear GTA member,

Kindly note that Gozo Channel is informing the public that the MV Gaudos will be out of service for dry-dock maintenance from Wednesday, November 8th to Friday, December 1st, 2023. During this time, the company will be operating a temporary timetable for all other vessels.

The temporary timetable will be published on the Gozo Channel website and social media channels. Passengers are advised to check the latest timetable before traveling.

Gozo Channel apologizes for any inconvenience caused by the MV Gaudos dry-dock. The company is committed to providing safe and reliable ferry services between the two islands.

For more information, please visit the Gozo Channel website www.gozochannel.com or contact them on 22109000.

Attached you will find the temporary timetable.
