**Re: World Travel Market 2023 contact list**

**13<sup>th</sup> November 2023**

Dear GTA Member,

The Gozo Tourism Association has recently participated at the World Travel Market in London, held between 06<sup>th</sup> of November till 08<sup>th</sup> of November, 2023.

Like the other tourism fairs of this year also the World Travel Market returned to the usual levels, being once again a very busy and extensive marketing and promotion event, in the important top core market for tourism to Gozo like the United Kingdom. The Malta and Gozo stand was once again attractive, with a new design and concept, centrally located and well visited. During the three days of this fair the GTA representative made various contacts with tour operators, travel agents, DMC's and other stakeholders in the tourism sector.

For your information and perusal we are attaching herewith a list of the contacts made by the GTA representative.

Thanks and best regards,
