Re: Skills Cards Survey

21st November 2023

Dear GTA Member,

As you are aware from time to time the Gozo Tourism Association carries out surveys to analyse issues affecting tourism establishments and owners/employers in the tourism sector in Gozo. The information obtained from the GTA members through these surveys will assist the Association to continue to discuss and propose more effectively with the Authorities for measures, initiatives and actions to support the tourism sector especially on Gozo.

Therefore, once again, the Gozo Tourism Association is carrying out another survey this time on the issue of the **skills card**, that is being proposed to be introduced as from January 2024 and which we fully understand is creating a lot of concern amongst the tourism operators.

You can access this survey by clicking on the following link: <https://www.smartsurvey.co.uk/s/DYHR6S/>

It should take you only a few minutes to complete this survey, and your participation will remain anonymous, and confidential. The results of the survey will assist GTA in its lobby with the relevant Authorities in order to find a reasonable way forward for more skilled human resources in the touristic sector.

Should you have any queries, please do not hesitate to contact the undersigned.

Thanks and best regards,

Joe Muscat
